CISW INTRODUCTION

CISW International Company Limited is under CISW Holding Group.
CISW International Company Limited provides a full range of commerce, investment, services worldwide, and all affiliated services are consolidated into one.

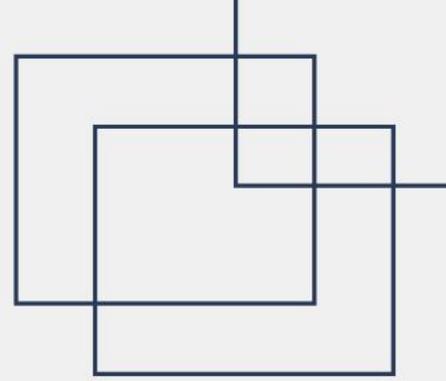

CISW International Company Limited's reach expands globally with worldwide commercial investment services as we have affiliates companies' such as JBN Global Group, JP World Medical, Thai Herbal World and Hemp Smart City. CISW International pride itself as one of the service providers for international business networking for all Commerce, Business, Trade, Investment, Real Estate, Medical Wellness and other services. We are committed to help our clients meet the challenges of succeeding in the business environment of Thailand, and ASEAN countries in our global connection.

Our intention is to enhance the value of the client's business and assist with their needs and requirements by combining our international capabilities of Thailand, ASEAN countries, and Global markets through networking and utilizing extensive connections in many sectors of local and international communities.

We have commenced an operation in Thailand, in December 2013 providing excellent service for the best customer satisfaction. We believe in keeping our customers happy by providing them with the best service at a very competent price, guiding them with the best ideas, and keeping in constant touch with our clients. We specialize in providing the services of International Business Networking of Commerce, Business, Trade, Investment, and Real Estate such as :

CISW VISION

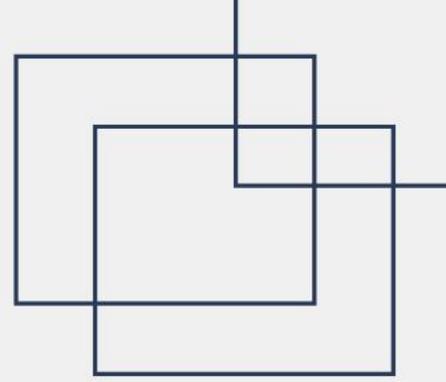

CISW International consists of a team of innovative and collaborative experts who work towards achieving the greatest results in business work. With long work experience, we have developed approaches to helping organizations benefit from our help and our results.

Our global network stretches from Thailand into different ASEAN countries, making us one of the best consultancies that offer the greatest solution for you when working together with our clients. Together, we work for the best outcomes for our customers rather than stand alone.

We do not believe in standard industry answers. Given that we understand the different needs and wants of everybody, we tailor our solutions to yield the greatest competitive advantage and value for our clients. We take heed of our client's position in the marketplace and provide each solution to their needs with regards to their aim and strategy.

As we collaborate with our clients, we develop new insights into how each business organization works, which is where we can utilize our business connections and associations to fit the needs our partner organizations to satisfy the needs of various customers.

MESSAGE FROM FOUNDER / PRESIDENT / CEO

CISW International is strongly dedicated in using its unique skills and talents to always better serve our clients and to continually provide the best opportunities for growth. We take great pride in what we do and will continuously do so with honor and respect.

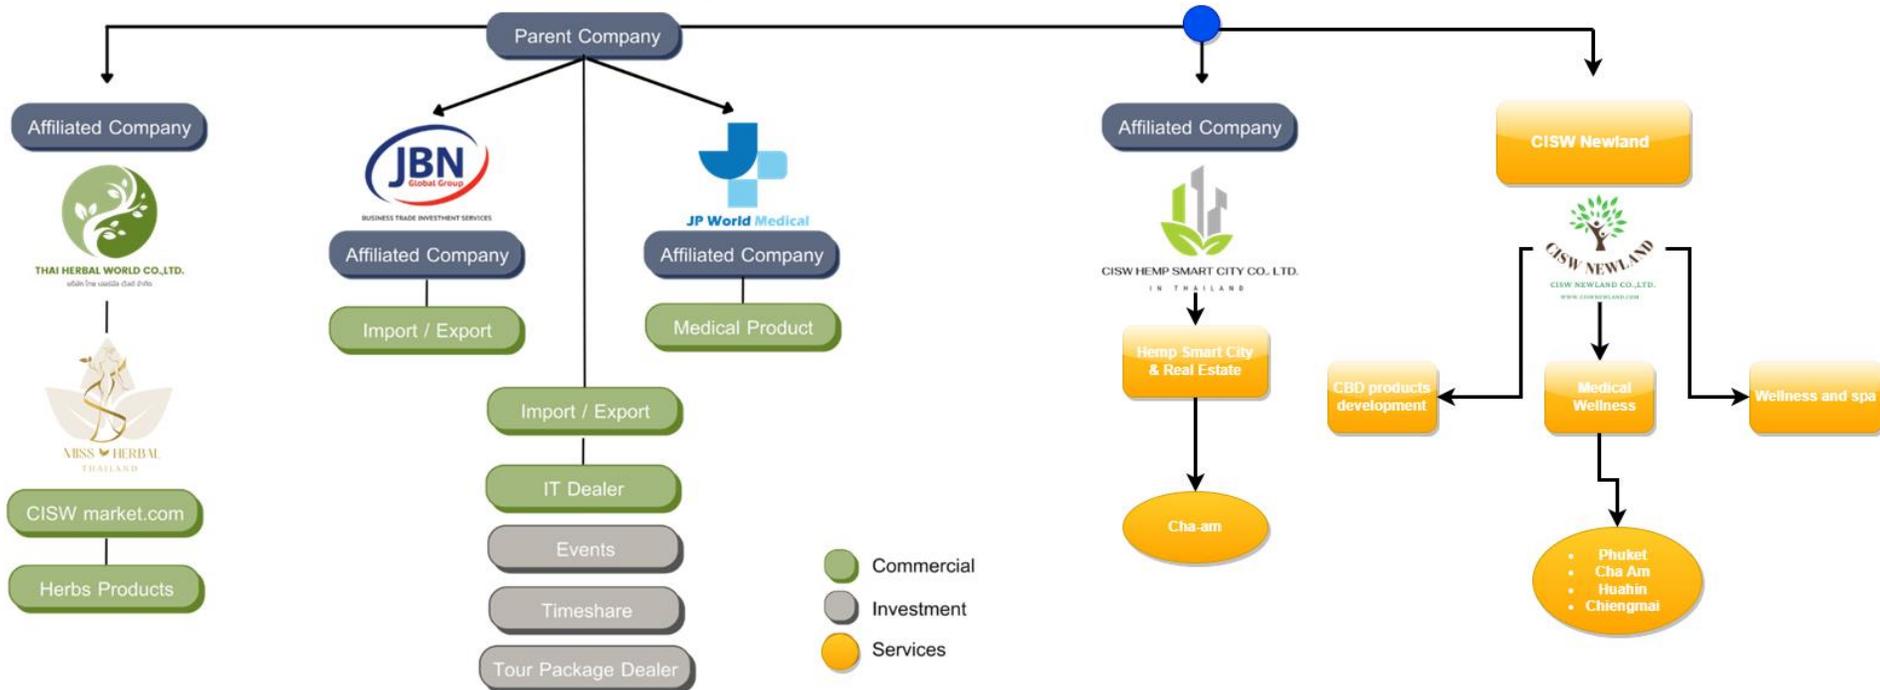

With strong experience working in the business field for 15 years, Jacky Ong has led the operation for CISW International to great success by fulfilling our corporate mission of contributing to society with world-leading consulting along with our business strategy.

We will continue to support our society's growth with world class services to strictly meet the difficult challenges along with clientele expectations based on our dedication and responsibility.

We thank our partners and clients for making us one of the best companies to work for, as we continue to move forward while adhering to our principles of fairness, equity, and transparency. We also thank you for all your encouragement and support.

Jacky Ong
Founder & President/CEO of CISW International Co., Ltd.

COMPANY STRUCTURE

CISW International is committed helping you to meet the needs of your clients by combining local market knowledge with International business management skills.

We provide practical cost effectiveness of our business strategy, which stems from our ability to mobilize the best and the most appropriate resources to meet the specific needs of our clients. As the needs arise, we can draw upon our International network of business trade experts, experienced in emerging market economies to supplement local human resources.

IN THAILAND

Master Plan Study I Facility Area

- Locate: Approach Building
- Lobby & Reception
 - Thai Restaurant
 - Cannabis Restaurant
 - Cannabis Shop & Beauty
 - Cannabis Medical Center
 - Utilities Center (M&E)

We are building the 1st World Hemp City in Thailand to create a new paradise for the concept of healthy hemp living. Our villas will be built for everyone to enjoy the best medical cannabis in Asia. This Hemp City will come with many unique ideas. This includes the 1st destination honeymoon resort and a luxurious modern cannabis café to enjoy your weed coffee in front of the green cannabis fields. We plan to build 300 hemp villas to meet the needs of the world. As we will raise funds for the first 10 units offered to our shareholders. Shareholders will enjoy profit-sharing from the timeshare ownership concept for the 300 hemp villa, which includes a wide range of cannabis-infused products.

REAL ESTATE & MEDICAL WELLNESS

We are locating and identifying land and property for foreign investors in Thailand and ASEAN countries for buying and selling. We are also involved in a project in line with the government's plan to promote the country as Thailand Medical Hub, The Hemp Smart City and a Medical Hub that is integrated between a specialized medical center and a luxury hotel that will cater to the lifestyle of people today who have become more focused on their health and wellbeing.

CANNALAND CHAING-MAI

Cannaland, the world's largest kingdom of herbs and cannabis. It is a hub for cannabis businesses worldwide. A one-stop resource for learning about cannabis. There are meeting rooms, rooms, luxury condominiums, spas, swimming pools, fitness facilities with lounge and the world's first cannabis restaurant.

MISS HERBAL THAILAND

Miss Herbal Thailand is perfectly different by presenting herbs for each province in Thailand. With a beautiful woman who has been selected to be an herbal ambassador for their province and find only one beautiful woman who will represent Thailand in pushing Thai herbs to a world-class level to present ecotourism Herbs are considered natural products. It is both food and medicine for humans and creature. Specially to preserve the environment so that Thai herbs can be preserved and used with maximum benefit.

Miss Herbal Thailand

CISW MARKET

CISW MARKET was established by CISW International Co., Ltd. in addition to the main purpose of organizing herbal events. As a well-known brand of CISW, we offer good herbal products. Today, herbs are used as raw materials for production such as industrial, cosmetics, herbal supplements. Therefore, the herbal market is a market that is growing continuously. The export market that consumes medicinal herbs includes Japan, China, America, etc. The consumption of the new generation who prefers to use herbs increases the value of herbal products as an alternative to health care which is considered safe and comes from nature including government policies that encourage those involved in the herbal industry through the Master Plan on the Development of Thai Herbs, 2017-2021.
